

Hello and Happy New Year to you all!

We hope you are all having a fantastic, happy and healthy start to 2020.

This is a friendly reminder that the deadline for the Spring 2020 issue of YAACING is February 1st. Please email your submissions to the editors at YAACING@gmail.com

We are *so excited* to read all about the incredible things happening in BC Libraries!

YAACING is published four times per year and is looking for submissions that might interest children's and teen specialists in BC libraries. **We accept articles, program descriptions and ideas, conference reports, and much more.** If you would like to write a regular column, send us a brief pitch. Submissions should be no more than 1500 words, sent in an editable format (not PDF). Please include a byline with your job title and workplace, or for students: your school, program and class information, if applicable.

YAACING invites your contributions to our Reviews and Felt Story sections:

Reviews: Please send us reviews of books, blogs, websites, or other resources. Submissions should be no more than 300 words. Longer reviews may be considered for publication as featured articles.

Felt Stories: Share your creativity! YAACING is looking for felt story patterns. Submissions should include a printable pattern, photograph of the finished product, and related rhyme or note about the origin of the story.

Stay awesome!
